Guideline For Receiving Research Proposals From The Teachers And Students

1. The research proposals from the students should be submitted with the name of the supervisor. This rule will not be applied to the teachers.
2. The proposals should be countersigned by the supervisor.
3. The supervisor must be a teacher of this college.
4. The students from the 3rd & 4th semester can apply for the research projects.
5. The research has to be (preferably) field-work and lab-work based.
6. The research proposal has to cover the points mentioned below :
 - a) Statement of the problem (Title)
 - b) Introduction
 - c) Theoretical background / A brief discussion of the problem.
 - d) Objectives of the study
 - e) Exploration of the existing literature
 - f) Justification of the problem
 - g) Research questions
 - h) Methodology
7. One person can submit only one proposal at a time. The proposal and report of project should be written either in English or in Bengali.
8. One teacher can supervise not more than two student- researchers at a time.
9. After receiving the proposals the committee will arrange a 7days workshop on research methodology.
10. The applicants have to attend the workshop and have to satisfy the committee that they receive the minimum knowledge of methodology.
11. The funds that will be allocated for the student-researchers will range from Rs. 3000/- to Rs. 5000/- depending on the types of the proposals. In case of the teacher-researchers the amount will range from Rs.7000/- to Rs. 10000/-.
12. The final report , along with a soft copy, should be submitted to the committee within one year from the date of issuing the sanction letter. Otherwise he/she must refund the total amount of grant he/she received.
13. The supervisor will not be liable for the incompleteness of the project work.
14. The amount will be disbursed through two installments. After six months a progress report should be submitted (with the signature of the supervisor, in case of a student-researcher) to the committee.
15. The proposals, those are submitted within 16th July in each year will be accepted for consideration.
16. The decision of the committee will be final and no appeal will be entertained against the decision of the committee.
